Sub.: Clarification for Decrease in Capital Investment

Dear Sir,

We would like to state you that we are submitting herewith following details for grant consent to operate. We would like to state you that we have applied for 4 products in the application for consent to establish but we have cancelled manufacturing of one product and we got consent to establish O3 products only now we have applied for consent to operate and our capital investment has been reduced as we have cancel manufacturing of one product.

We therefore request you please find our submission towards clarification for decrease in capital investment

Thanking you,

Yours Faithfully,

For The Bhor Chemical and Plastics Pvt . Ltd.
